## OUR COMPANY

Andersen Corporation is the largest window and door manufacturer in North America

### Our Four Major Brands

### Our Sustainability Mission

is to meet the needs of the present without compromising the needs of future generations

### Our Vision

is to lead the window and door industry by creating products and services that are different and better as measured by our customers

Corporate citizenship has been core to our heritage and values for more than a century.

→ Integrity

→ Innovation

→ Excellence

→ Partnership

→ Corporate Citizenship

We will continue our longstanding commitment to leadership in environmental stewardship and to make a positive impact in the communities in which we live and work.
